Mobile: (+84) 963 139 172

D.O.B: 25.09.1992

Add: 326/1 Ung Van Khiem Street, Ward 25,
Binh Thanh District, Ho Chi Minh City

I have one year working as key team player in a technology-based start-up company. I spent the next year to pursue master degree in International Business in expectation of assisting me on my professional career. It is exactly on my 24th birthday that I realize my real passion for IT industry and decided to start learning code and programming. The short coming in experience is clearly exposed, but in constrast, I believe my dertemination and passion to learn can overcome that weak point.

CAREER OBJECTIVE

To become a leading professional in Android in specific and in software developing in general, to extend my full potential and contribute to the company as an active and dedicated team member.

SKILLS

- Developing basic Android apps on Android Studio
- Language: Fluent in English (IELTS: 7.0) and Vietnamese
- Adaptability and ability to work under pressure
- Proficiency in supporting tools such as Microsoft Office, Github,
